

Our Staff

We consistently monitor our staff and are proud to have them with us. More Information!

What goes on at the party?

The first 45/60 minutes will be spent in our gym. Children will be guided and instructed by our best coaches through an obstacle course, which will include: jumping on trampolines, swinging on bars, climbing and playing in our 15,000 sqft gym.

The next 45 minutes will be spent in our decorated party room. Your guests may enjoy any food that you supply, we will provide the utensils, paper goods and goody bags! Next, your birthday child will get to open their presents with of course a happy birthday song!

*You may add additional time in increments of 30 minutes– which may be applied to either gym or party room time.
